Credit Life & Disability Insurance

We all experience loss. Thankfully there are options that can lessen the worry of life's setbacks by providing support in a tough situation.

What is Credit Life & Disability Insurance?

Credit Life & Disability coverage offers borrowers financial protection in the event of an unexpected death or disability.

How does Credit Life & Disability Insurance work?*

Credit Life Insurance typically covers the outstanding balance of the borrower's loan in the event the borrower dies during the term of coverage.

Credit Disability Insurance typically covers some or all of a borrower's monthly loan payment during the period that the borrower is unable to work due to a qualifying disability.

Why should I sign up for Credit Life & Disability Insurance?

Credit Life & Disability coverage is a way to ensure that your family doesn't have to worry about making loan payments, on top of everything else, should the unthinkable happen.

What else do I need to know about Credit Life & Disability Insurance?*

- Credit Life & Disability insurance is entirely optional, and is not a requirement of any credit or loan transaction.
- Both the primary borrower and co-borrower may be eligible for coverage.
- The insurance premium is based on the amount and term of coverage, and the cost of coverage is included in the loan payment.
- Coverage may be canceled at any time.

With Fortegra Credit Life & Disability Insurance you can enjoy invaluable peace of mind knowing that you're prepared for life's uncertainties.
